

Make Your Glory Known [Lyrics, 100 bpm, 12/8]

[Default Arrangement]

V1, C, V2, C, B×2, BTag, C

VERSE 1

In the still, in the quiet,
I am here, like a child,
I wait, I wait

In the cave, of your word,
speak to me, I am yours,
I wait, I wait

CHORUS 1

Won't you make your glory known,
cause there's no where left to go,
Won't you make your glory known,
Come break through this heart of stone.

VERSE 2

In a dream, you ignite,
In a word, full of sight,
I wait, I wait

through it all, holy fire,
you're the gift, I desire,
I wait, I Wait

BRIDGE

The hardest part of waking up,
is knowing that I need You,
All my greatest hopes, and my deepest fears,
are endless seas in view.

But I'm waking up to the richest love,
and the world has lost it's shine,
come and steal my heart, come and lift my soul,
I am yours and you are mine!

BRIDGE 2

So like thief in the night
We will wait for your light,
Holy Spirit, come bring us to life!

CHORUS 2

Won't you make your glory known,
cause there's no where left to go,
Won't you make your glory known,
Come break through this heart of stone.
